<input type="checkbox"/>	WP Socializer Activate Edit Delete	WP Socializer is an all in one complete social media plugin to add native social media buttons, icons, floating sharebar, follow us buttons, profile icons, mobile sharebar and selected text share popups easily with complete control and customization. Version 3.2 By Aakash Chakravarty View details
<input type="checkbox"/>	WTI Like Post Settings Deactivate Edit	WTI Like Post is a plugin for adding like (thumbs up) and unlike (thumbs down) functionality for posts/pages. On admin end alongwith handful of configuration settings, it will show a list of most liked posts/pages. If you have already liked a post/page and now you dislike it, then the old voting will be cancelled and vice-versa. You can reset the settings to default and the like/unlike counts for all selected posts/pages as well. It comes with two widgets, one to display the most liked posts/pages for a given time range and another to show recently liked posts. Check out the powerful PRO version with lots of useful features.
